Hobby Tracker  
Hobby Trackers  
Sprint Completion Date: 5/23/2023  
Revision: 1.0, 5/10/2023

**Goal:** Completion of this sprint will result in our MVP. Authentication login, image upload with descriptions, tagging images, and browsing own images.

**Task List:**

**User Story 1** - As a User, I want to be able to choose an image of my choice and write a description for the image, so that I can keep track of my past activities with my hobby.

**Task 1:** Create UI for image posting/description on a separate page

**Task 2:** Route to this page when clicking the post button

**Task 3:** Create a post model with necessary fields

**Task 4:** Send the data to the database using mutation post

**Total Hours for User Story 1: 25**

**User Story 2:** As a user, I want other users to not be able to post from my account, so that my account remains secure and I have control over my own posts.

**Task 1:** Utilize User context so that we can pull proper email/author id from logged in user

**Task 2:** We creating mutation for post, use what we pulled before to create the post

**Total Hours for User Story 1: 20**

**User Story 3:** As a user, I want to be able to open up this website on my phone, so I can post images if I'm on my mobile device.

**Task 1:** Make sure styling of pages takes into account different screen sizes

**Task 2:** Go through pages to see that when you change screen size, the UI does not break.

**Task 3:** Maintain similar layouts if possible.

**Total Hours for User Story 1: 15**
