Sprint 3 Plan
Hobby Tracker
Hobby-Trackers
Sprint Completion Date: 5/23/2023
Revision: 1.0, 5/10/2023

Goal: Try and have a connection between all of the components/pages we have created. Trying to add some features past our MVP. (Many members have tighter schedules due to midterms)

Task Listing:

User Story 1 - As a user, I want to be able to easily traverse the website, so I don't have to learn some new UI.
      Task 1: Actually linking the code together
      Task 2: Having proper routing urls that describe the page
Total Hours for User Story 1: 15

User Story 2 - As a user, I want the option to categorize my images by different hobby-related tags, so that I can find other posts with similar tags
      Task 1: Create some preset tags for users to choose from
      Task 2: Have a way to allow users to attach these to their posts
      Task 3: Display them with the image/description on home page.
Total Hours for User Story 2: 25

User Story 3 - As a user, I want to also be able to post videos of my hobby, so I can see my hobby in video format.
      Task 1: In instance creation, find a way to upload videos as well
      Task 2: Making sure the videos do not exceed specified time
      Task 3: Able to also have these displayed on the home page afterwards
Total Hours for User Story 3: 25

Team Roles:

Lawrence: PO/Developer
Tad: Developer
Leo: Scrum Master/Developer
Mona: Developer
Albert: Developer
Raymond: Developer

Initial Task Assignments:

Lawrence: User Story [3], Task [1,2,3]
